Notes: (1) Partners' share of profit and remuneration are assumed in the ratios shown in Workings C (not available from a TB). (2) Interest on capital charged in the P&L is credited to partners' accounts; unless the partner-wise interest / capital introduced are typed into Workings C they are included in 'Withdrawals during the year' (net). (3) Previous-year row: opening balance is derived (closing balance less previous-year appropriations) and is net of that year's drawings / capital introduced.
