# Architect Work Completion Certificate

**SAMPLE - ICAI CAPSTONE DEMONSTRATION**

Certificate reference: DEMO-M2C-M8 | Date: 05-Nov-2026

## Miles2Collect Demo Residences

Promoter: Sample Developers Pvt. Ltd. | Mumbai, Maharashtra

### Milestone 8: Balance on Handover

For this fictional demonstration, the handover milestone 8 is recorded as completed on 05-Nov-2026. The stage is 5% of agreement value. Cumulative payment entitlement increases from 95% to 100%.

This certificate is deliberately WRONG for the demo: milestone 7 (Final Finishing) has not yet been confirmed in Miles2Collect, so the tool must reject a jump to milestone 8.

**Demonstration certification**

Architect: Fictional Sample Architect | Registration: DEMO ONLY

Signature: Not signed - sample document

*This is not a statutory Form 1, occupancy certificate, genuine professional certification or regulatory filing. Use it to show that Miles2Collect blocks an out-of-sequence certificate.*
