Sample Engineering Private Limited

Notes forming part of the Financial Statements

for the year ended 31st March 2026

A. General information

Sample Engineering Private Limited is a company incorporated under the Companies Act. CIN / LLPIN: U00000KL2015PTC000000. Registered office / place of business: Sample Industrial Estate, Kochi, Kerala. These financial statements are for the year ended 31st March 2026.

B. Significant accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost convention, on the accrual basis of accounting and on a going-concern basis, in accordance with the Accounting Standards notified under section 133 of the Companies Act, 2013 read with the Companies (Accounting Standards) Rules, and Schedule III (Division I). The figures are taken from the books of account maintained in Tally Prime.

Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Differences between actual results and estimates are recognised in the period in which the results are known.

Property, plant and equipment and depreciation

Property, plant and equipment are stated at cost less accumulated depreciation and impairment, if any. Depreciation is provided as per Schedule II of the Companies Act, 2013 on the basis of the useful lives prescribed therein.

Inventories

Inventories are valued at the lower of cost and net realisable value. Cost is determined on the basis followed consistently by the Company (first-in-first-out or weighted average).

Revenue recognition

Revenue from sale of goods is recognised when the significant risks and rewards of ownership pass to the buyer; revenue from services is recognised as the services are rendered. Revenue is stated net of GST and returns.

Employee benefits

Short-term employee benefits are recognised as an expense at the undiscounted amount in the period in which the related service is rendered. Post-employment benefits, where applicable, are provided as per the applicable standard.

Taxes on income

Current tax is the amount of income tax payable determined in accordance with the Income-tax Act, 1961. Deferred tax is recognised on timing differences between book and taxable income, subject to the prudence considerations of the applicable standard.

Provisions and contingent liabilities

A provision is recognised when there is a present obligation as a result of a past event, an outflow of resources is probable and a reliable estimate can be made. Contingent liabilities are disclosed and not provided for.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and balances with banks in current and deposit accounts with an original maturity of three months or less.

Earnings per share

Basic earnings per share is computed by dividing the profit for the year attributable to equity shareholders by the number of equity shares outstanding.
