Four Fictional SURL Test Invoices

All supplier names, amounts, invoice numbers and service details are fictional and created for capstone testing only. These are mock training invoices, not valid tax invoices.

TC-01 — INCLUDED / ALREADY RECORDED

Supplier	Northstar Office Supplies	Vendor ID	V001
Invoice number	NS-251188	Invoice date	10-Dec-2025
Invoice amount	$12,500.00	Currency	USD
Service / receipt date	15-Dec-2025	Subsequent payment date	08-Jan-2026
Description	Office supplies delivered before year-end.	Status	FICTIONAL SAMPLE

Invoice description

Office supplies delivered before year-end.

Expected tool treatment

The invoice appears in the year-end AP aging for $12,500 and was paid on 8-Jan-2026. Expected outcome: clear from SURL as recorded, subject to agreement to AP ledger and evidence.

Auditor checks

- Agree vendor, invoice reference and amount to AP aging / disbursement / voucher population.
- Inspect purchase order or contract and evidence of goods receipt or service delivery.
- Search year-end AP, accruals and general ledger to determine whether the liability was already recorded.
- Document conclusion, exception amount, further procedures and reviewer sign-off.

TC-02 — POTENTIAL OMITTED LIABILITY

Supplier	Delta Electric	Vendor ID	V021
Invoice number	DE-5510	Invoice date	20-Dec-2025
Invoice amount	$38,700.00	Currency	USD
Service / receipt date	20-Dec-2025	Subsequent payment date	12-Jan-2026
Description	Electrical repair services completed in December 2025.	Status	FICTIONAL SAMPLE

Invoice description

Electrical repair services completed in December 2025.

Expected tool treatment

The invoice is absent from the year-end AP aging but appears in subsequent payments and unprocessed invoices. Expected outcome: flag potential SURL; inspect invoice, service evidence, and AP/accrual/GL ledger before conclusion.

Auditor checks

• Agree vendor, invoice reference and amount to AP aging / disbursement / voucher population.

• Inspect purchase order or contract and evidence of goods receipt or service delivery.

• Search year-end AP, accruals and general ledger to determine whether the liability was already recorded.

• Document conclusion, exception amount, further procedures and reviewer sign-off.

TC-03 — EXCLUDED / POST-PERIOD SERVICE

Supplier	Prime Janitorial	Vendor ID	V023
Invoice number	PJ-0106	Invoice date	31-Jan-2026
Invoice amount	$14,500.00	Currency	USD
Service / receipt date	31-Jan-2026	Subsequent payment date	05-Feb-2026
Description	January 2026 cleaning service.	Status	FICTIONAL SAMPLE

Invoice description

January 2026 cleaning service.

Expected tool treatment

The service occurred after year-end. Expected outcome: ordinarily exclude from the 31-Dec-2025 liability population, unless other evidence indicates a pre-year-end obligation.

Auditor checks

• Agree vendor, invoice reference and amount to AP aging / disbursement / voucher population.

• Inspect purchase order or contract and evidence of goods receipt or service delivery.

• Search year-end AP, accruals and general ledger to determine whether the liability was already recorded.

• Document conclusion, exception amount, further procedures and reviewer sign-off.

TC-04 — UNRESOLVED / NEEDS FOLLOW-UP

Supplier	Beacon Consulting	Vendor ID	V024
Invoice number	BC-882	Invoice date	18-Dec-2025
Invoice amount	$57,000.00	Currency	USD
Service / receipt date	18-Dec-2025	Subsequent payment date	18-Mar-2026
Description	Consulting milestone; acceptance documentation not included in this mock pack.	Status	FICTIONAL SAMPLE

Invoice description

Consulting milestone; acceptance documentation not included in this mock pack.

Expected tool treatment

Expected outcome: flag for further work. Inspect contract, milestone acceptance, invoice, service evidence, and search AP/accrual/other GL accounts. Do not conclude solely from payment date.

Auditor checks

• Agree vendor, invoice reference and amount to AP aging / disbursement / voucher population.

• Inspect purchase order or contract and evidence of goods receipt or service delivery.

• Search year-end AP, accruals and general ledger to determine whether the liability was already recorded.

• Document conclusion, exception amount, further procedures and reviewer sign-off.
