1. M/s Demo Aggregates Private Limited (the noticee) is registered under the CGST Act and is engaged in quarrying and supply of stone aggregate (HSN 2517) under mining lease No. DEMO/ML/2018/07 granted by the Mining Department. As per the annual returns in Form GSTR-9, the aggregate turnover of the noticee was Rs. 1,12,40,000 for FY 2021-22, Rs. 1,29,85,000 for FY 2022-23 and Rs. 1,21,30,000 for FY 2023-24.

3. **Issue 1 - Supply of stone aggregate shown as nil-rated.** The dispatch statements of the Mining Department show that the noticee sold stone aggregate of the value given in column (2) of the statement below. The noticee reported these supplies as nil-rated in Form GSTR-1 and Form GSTR-3B and paid no tax. The supply is taxable at 5% under the rate notification applicable to HSN 2517.

4. **Issue 2 - Royalty paid to the Mining Department.** The noticee paid royalty to the Mining Department as per the challans, of the amount given in column (3) of the statement below. It is alleged that the service of granting mining rights is liable to tax at 18% under the reverse charge mechanism under section 9(3) of the CGST Act, and the noticee did not pay such tax.

5. **Statement of demand (Annexure-A).** The year-wise value, royalty and tax short paid are as under:
